Gen'l fund buying out

No bills for supplies incurred during October through the county general fund will be paid, the board of supervisors decreed Monday as it designated the office of county auditor to serve as watch dog of expenses until the new administration takes over Jan. 1.

And in the face of increasing financial problems in the one-month-old fiscal year, the board voted to hold all bills on the district maintenance docket of Beats 2, 3 and 4 because of insufficient funds. When the state gasoline tax rebate comes in this month, some of these bills may be taken up, however.

After borrowing in anticipation of revenue at the first October session and paying all outstanding claims, Beat 4 had \$10,844 left at the end of the month while Beat 2 had \$1,101.75 and Beat 3 had \$1,255.41.

Beat 2, however, loaned \$3,000 to Beat 3 in the last fiscal year and that has not yet been repaid.

The general fund had borrowed up to the maximum of 25 percent of its estimated receipts and the supervisors adopted a resolution prohibiting any further borrowing until Jan. 1 so it could be sure of meeting outstanding obligations. It ordered "all department heads" to not incur any further obligations.

However the October docket ran in the neighborhood of \$10,000 and the three members present this Monday—H. G. Dean of Beat 1, Charles Lavinghouse of 3 and R. G. Hubbard, Jr., of 5—wanted to know why.

Two bills, each for 12 mattresses and totaling \$96, were cited as one illustration of unnecessary purchases. One was dated Oct. 2, before the no-buying order was adopted at the first October meeting, and the other Sept. 5, Hubbard and Dean questioned need for buying mattresses, which they said were for jail use, in such quantities and Dean moved that payment be repaid.

MTO work force now totals 880

The work population at NASA's Mississippi Test Operations passed the 800 mark this week as contractors continued to build up in the wake of increased construction activity at the test facility. The total is now 880.

Active contracts now being worked on at MTO now amount to more than \$15 million with an additional estimated \$39 million at bid. Three contracts which have been completed total \$236,437.

Contractors added 83 to their payrolls this week and their work force now stands at 880. Most of the support operations remain at the same personnel level as last week except the Corps of Engineers at the test site, which increased two to 81. NASA employs 34, General Electric 51, Corps of Engineers in Bay St. Louis 43, Weather Bureau and Raytheon 15, Hancock County Security Patrol 6 and others 5.

Tuesday's rain curtailed construction work an estimated 95 percent, according to NASA officials, but yesterday found construction resumed at most projects.

Call bids on drinking water wells at MTO

Competitive bids for construction of two portable water wells at Mississippi Test Operations will be opened Nov. 27 at the U. S. Corps of Engineers' district office in Mobile.

The 12 inch wells, which will provide drinking water and water for fire protection, will be approximately 1,500 feet deep. One is to be located west of Rt. 43 across from the lab and engineering building now under construction. The other will be drilled in the southeast corner of the test site.

Carrying all but one of the county's 25 precincts Democratic nominee Paul B. Johnson swept Hancock County almost two to one over Republican Rubel Phillips in the only truly contested election for governor of Mississippi since Reconstruction days. Even so, less than half as many cast votes Tuesday as in either the first or second Democratic primaries last August.

The unofficial vote was Johnson 1,729 to Phillips 889. Johnson's running mate for lieutenant governor, Carroll Gartin, had an even larger margin with 1,775 votes to Republican Stanford Morse's 687.

Phillips made his best showing in Bay St. Louis, where he carried Central School precinct 162 to 129, but even there Johnson received better than 56 percent of the vote in carrying the city 570 to 444. Beat 3 gave Johnson his biggest margin percentage-wise, its vote was 206 to 39.

While Phillips' total of 889 was above the voter turnout in 1959, when less than 700 cast ballots in the general election, and more than vice president Richard Nixon's 719 for president in 1960, it was far from a Republican record. Hancock County was one of four in Mississippi which the Republicans carried in 1956 when President Dwight D. Eisenhower was re-elected.

That year electors of the Lilywhite Republicans, the Mississippi Republican party, got 1,328 votes, Black and Tan Republicans, a Negro group, 93, the Democrats, 1,179 and the State Righters 74. Also in 1948 Democrats failed to carry Hancock County but then it was the States Right's party, with Mississippi Gov. Fielding Wright on its ticket for lieutenant governor, that swept the county. The vote then was States Right's party 1,400; National Democrats, 222; Regular Republican, 102; Independent Republican, 49; and Progressive party, 2.

City council meets Monday on water \$\$

After receiving a letter from Washington confirming statements made at a conference last week that there were no funds available to help finance a water system for Bay St. Louis, city officials Wednesday scheduled a meeting for 10 a.m. Monday with their engineers to discuss ways of raising the necessary \$750,000.

Mayor John A. Scaife said Eugene Owen, president of Owen and White, Baton Rouge, La., engineers and William E. Johnson, consulting engineer from Jackson, had agreed to attend the meeting to help find a solution to the financial problem. They have completed a preliminary survey and are ready to proceed with final stages when funds are available.

Slone H. Woolner, Commissioner, Housing and Home Finance Agency, had told Scaife and Commissioner J. Cyril (Cont. on Page 6.)

\$175,000 issue seen for HGH

First steps toward sale of a \$175,000 bond issue to provide the local share of the proposed \$409,144 addition to Hancock General Hospital were taken by the board of supervisors Monday as it adopted a resolution expressing its intent.

The hospital last week got a \$272,763 federal grant under the accelerated public works program to add 36 beds provided the contract for construction is awarded by Jan. 31.

Unless 25 percent of the qualified electors of the county petition the supervisors for referendum on the plan, the supervisors can proceed with the bond sale, get working plans and specification for the project and award the job.

If everything goes according to estimate the board would only need \$196,381 as the local share but R. G. Hubbard, Jr., board president, suggested about \$175,000 to provide some latitude. The board attorney, Lucien M. Gert, advised bonds could be issued in the amount necessary up to that figure. Tax levy necessary to finance this issue over a 20-year period is still to be determined, but Hubbard said he hoped one mill would do it.

October home building hits record here

Building permits for new homes in Bay St. Louis continue to soar, the total for October reaching a record figure of \$100,500 according to figures released by Commissioner J. Cyril Glover.

Ten permits for new construction, including seven for houses, were issued during the month. They were for William P. Hilliker, Paradise Point Drive, residence; Dorothy Russell, Central Avenue, warehouse; C. M. Dunnam, 453 de Montuzin, Monroe Caves, State Street, carpenter; John J. McDonald, Hillcrest subdivision, residence; John J. McDonald, Drackett Subdivision, residence; O. J. Molnar, Chantilly Subdivision, residence; Forrest L. Favre, McJody Lane, residence; John W. Hill, rear of 1008 N. Beach Blvd., residence; Bernard Firpo, 212 Union St., carpenter.

Legion urges fly flags on Veteran's Day

Remember the Normandy invasion, Guam and Iwo Jima and fly a flag on Veterans' Day Monday, urges Fred Fayard of the local American Legion.

The Legion will honor veterans of all wars, living and dead, Monday with a parade followed by ceremonies on the Courthouse steps. Mayor John A. Scaife is guest speaker. Features of the parade will be Keesler Drum and Bugle Corps, city and county school bands, Boy and Girl Scouts, Cub Scouts, Explorers, Brownies, Sons of the Legion, VFW, etc.

Route of the parade is: leave Bay High at 10 a.m., up Carroll Avenue to Beach Boulevard to Main Street; follow Main to Second Street; Second to Union Street; Union to Beach; Beach to Main to Courthouse.

The Beat 1 supervisor also inquired what taxation is being levied on construction equipment at the test site, particularly trucks coming over with Louisiana license tags. Sheriff Gerald V. Price replied he was sending a crew out Monday afternoon to check on out of state tags and Tax Assessor George Heitzmann said all equipment will be placed on the books Jan. 1 for (Cont. on Page 6.)

School board hears mothers

Ask Gulfview aid

A delegation of militant mothers from Gulfview School, seeking relief for increased overcrowding at that attendance center when the county board of education met Monday afternoon, provoked a stormy argument over the school millage set by the board of supervisors.

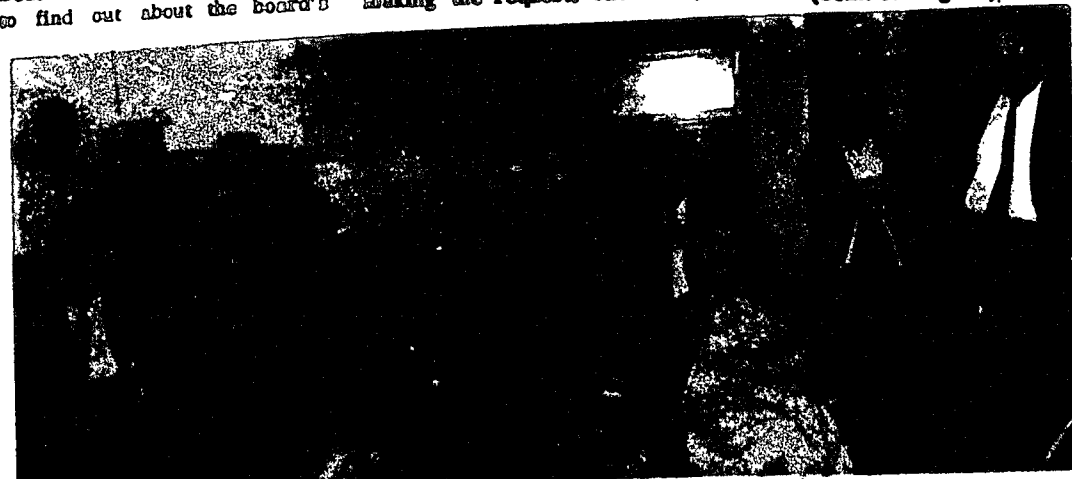

Mrs. Fritz Garcia, spokesman for the group, told the school trustees they needed more teachers and classrooms now and wanted to know why those needs weren't being met. Gulfview as of Monday had an enrollment of 202, compared with about 165 last session, and another class has been established in a corridor since there are no more rooms.

Trustees explained they were limited in finances and the board of supervisors had levied only 22 mills in 1963-64 for the school

operation although they had asked for two more mills. Supervisors H. G. Dean of Beat 1 and R. G. Hubbard of Beat 5 who were there to try to find out about the board's

default on a \$16,000 transportation note countered that County Superintendent K. G. McCarty had failed to present the schools' budget for 1963-64 in making the request. Therefore,

they argued, the supervisors were in a position to know school needs or explain to their constituents the reason for any increase. They contended the (Cont. on Page 6.)

Miss Ruhr. Mr. Chiniche are to marry

The engagement of Miss Hedy Elizabeth Ruhr, daughter of Mr. and Mrs. James Ruhr of Waveland, to James J. Chiniche, son of Mr. and Mrs. Peter Chiniche of Bay St. Louis, is announced by her parents.

Rev. Dennis Harlow will officiate at the wedding ceremony to take place at 2 p.m. Sunday, Nov. 12, at Our Lady of the Gulf Church.

Miss Ruhr has chosen her cousin, Miss Kay Dorich, as maid of honor and bridesmaids, Misses Cheryl Suzanne and Courtney Brown and as junior bridesmaids, the sisters, Debbie Ruhr.

Mr. Chiniche will serve as best man. The ceremony will be at the home of Mr. and Mrs. Chiniche of Bay St. Louis. Mr. Chiniche is a graduate of St. Stanislaus College in 1960 and now attends Mississippi State University.

HEDY ELIZABETH RUHR
Sister Dorich.

The bride-elect is a graduate of St. Joseph Academy, and is presently employed as secretary for the county superintendent of education.

Mr. Chiniche was graduated from St. Stanislaus College in 1960 and now attends Mississippi State University.

Pink ladies elect three to nominating committee

Mrs. Helen Chapman, Mrs. James M. Robert and Mrs. Winthrop Baker were elected to serve on the nominating committee to present a slate of officers at the December meeting of the Hancock General Hospital auxiliary.

Gifts to the Book of Memories during October were acknowledged. Those in memory of the late Leo W. Seal were from Mr. and Mrs. J. B. Sanford, Mrs. Marion Oiestad, Hattie and Sanford, Mrs. Winthrop Baker, Mrs. B. Fredericks, Mr. and Mrs. J. Chapman and Mr. and Mrs. E. N. Heath, Jr. for the late Kenneth W. Pepperdine from Mr. and Mrs. P. E. Porter, Mr. and Mrs. P. E. Porter, Jr., Mrs. Winfield Partridge, Mrs. Marion Oiestad and for the late Robert Brown from Paul M. Schneider.

Cards will be mailed each donor and the family. The fund will go for a chapel of quiet room in the proposed addition. Gifts should be sent to the hospital auxiliary.

Mrs. Ben Hille, president, urged persons coming to the hospital to observe No Visitors Allowed signs and called attention to the Cheer Cart service for which Mrs. Roy Dennis is chairman.

A gift was presented to Miss

Henrietta Mohr in recognition of her record number of volunteer service hours—451.

The sewing committee will work on pinkie dolls when it meets from 9 a.m. until noon on Nov. 21 at the home of the chairman, Mrs. Wallace Chevis, 446 Boulevard St.

Two newcomers were welcomed as members of the auxiliary: Mrs. Robert Johnson of Burlington, Vt., who did volunteer work in this city's hospital, and Mrs. Charles J. Van Trier of New Orleans who formerly lived here. She has been a volunteer at Charity Hospital and was a Grey Lady for seven years.

Since the conference room is now being used as the medical library, the auxiliary will meet in the hospital dining room in the future.

It's a pity that a visitor from Mars had happened to land his space ship almost anywhere on the coast around noon Friday he would most likely have taken a quick look around, reversed his rockets and reported to his leader something to the effect that carrollings obviously don't have sense enough to get in out of the rain! What our mythical martian could not know was that the shower was the first to settle the dust here in a good six weeks and we must confess to have been among those just standing outside getting soaked in the welcome deluge. No one lingered out-of-doors as a howling norther rode in on the wings of the rain. . . the temperature did about a 20 degree increase in as many minutes.

Only All Saints Day dimmed

The only unfortunate aspect of the weather was the fact that all Saint's Day cemetery socializing was cut to a minimum. On this day, one usually sees people from far and near greeting one another as they come to place flowers on graves of the departed. Thousands of dollars worth of blossoms were left much the worse for wear after the winds punishing onslaught and few were brave (and warmly clothed) enough to spend much time out in the grave yards.

Such drastic climatical changes also play havoc with those susceptible to colds. . . Mary Catherine Moran has returned to work after her bout with pneumonia. Nookie Ming is also feeling better. . . the same big found her and Max Gianelloni was hospitalized with this ailment last week.

The Joseph Zerons of Morgan City, La., were weekend guests of Mrs. Ruth Woods Luderbach and her sister, Mrs. Claude Weeks.

Former resident, Ott Brockman, son of Mr. and Mrs. T. H. Brockman, gave Stanislaus students an interesting demonstration of communications and their relation to civil defense last Tuesday.

Retiring Bay Police Chief, Alcine Saucier was surprised to find that City Hall employees had arranged a farewell party in his honor on his last official day of duty, last Thursday.

James Longo, Lillian Griffin, Marie Mancil and Fran Lucas are among an eager beaver group of mammals taking Brownie Leader training at Main Street Methodist Church. Lillian is doubly ambitious—she's also planning to become a cub scout leader!

Off with the Guard

Alvin Bourgeois, son of Mr. and Mrs. Willie Bourgeois of Waveland, left for a six month stint with the National Guard at Fort Polk, La., bright and early Monday morning. Alvin, who received his B.S. in Architectural Engineering from the University of Southern Mississippi in August, was accompanied by three other local boys, Donald Comaratta, Sheldon Seuzenne and Eddie Blaize.

Our deepest sympathy goes to Dorothy Weathers. . . her husband, John, passed away Sunday morning following a long illness. Coleman Avenue just won't seem the same without John—he always managed a joke about the weather with laundry customers despite the fact that he was in almost continual pain.

Mr. and Mrs. Heriberto Morere and children of Beaumont, Tex., returned home Sunday after having spent last week as guests of Mr. Morere's mother, Mrs. John Morere.

Mr. and Mrs. A. (Pop) Gensch of Woodstock, Ill., visited Mary and Del Wilcox over the weekend. The Genschs arrived via cabin cruiser, they're en route to Winter Haven, Fla., where they have purchased a retirement home.

Don't miss firemen's ball

Next Saturday night local residents will have an opportunity to help a most worthy cause and have some fun at the same time. The Waveland Volunteer Fire Department is sponsoring a ball at Bay-Waveland Yacht Club beginning at 9 p.m.

Lee Ferrell is feeling pretty good about his bowling prowess—he racked up two over 300 series in league competition last week. Betty Rose, Dot Markel, Georgene Torgersen and Ruth Ballatin are taking golf lessons at PCL. Betty, Dot and Georgene are novices, but veteran Ruth is of the opinion that a few lessons won't hurt her game.

The Joe Lelacanos who've yet to miss seeing son J. E. play with the Mississippi State football team journeyed to Tuscaloosa Saturday for the Alabama game.

Gals, please note

Here's a bit of good news for all bachelor girls and widows, grass or otherwise—we have an eligible new man about town—Charles Scivique, son of Mr. and Mrs. R. A. Scivique has moved into a home in the Bay. . . He'll manage the Broadview Restaurant while Papa Bob concentrates on building his new home and developing a number of building sites to be complete with paved streets, sewerage, gas, water, etc.

Zera Carver spent most of the week in bed—she's a flu victim; husband Harold was feeling miserable too, but he maintains his is the walking variety.

Guy Beckin is spending every free moment fishing from his recently acquired boat. . . he caught 33 Sunday.

A birthday present

We know for certain that little David Martag found a shiny new truck among the gifts he received on his second birthday, Tuesday. The truck was presented by his 'Aunt' Sallie Galt.

Just because we're so late mentioning it doesn't mean that we're saying the less sorry that Mrs. Leo Sant suffered a fractured ankle several weeks ago. Hope this usually very active lady will be up and around again soon.

The Basil Cockburn and R. A. Steinhilber took advantage of Monday's lovely weather to enjoy an evening which included a drive out into the country—they climaxed the day by viewing a very colorful and somewhat unusual display of art.

Mrs. Joseph Kern certainly gave around. . . she'll return from a trip to Oklahoma on Saturday.

Margie Woods is quite excited over the arrival of her 'baby sister's' first born. Little Laurie Ann Walker was born in a Junction

CONFIRMATION CLASS AT CHRIST CHURCH—Young people and adults confirmed by Bishop Coeditor John M. Allen of the Episcopal diocese of Mississippi at Christ Episcopal Church Sunday noon with Bishop Allen and Rev. Charles R. Johnson, rector. They are Patricia Anne Brameyer, Robert Carl Carver, Stephen Don Colby, Howard Sidney Cox, III, Christine Ann Dougher, Elizabeth Jena Johnson, John Marshall Longmire, Wesley Leroy McFarland, Jr., Katherine Munson Oltz, David Stratton Peltander, Elizabeth Juanita Schneider, Rebecca Ann Schneider, Cynthia Anne Torgersen, James Clark Wagner, Patricia Adelaide Wyatt, Mrs. Thomas Charpon, Mrs. John G. McCloskey, Mrs. Alvin Moore, Eugene T. Dufilho, William M. Frisbie, W. T. Johnson and Karl von Meador.

City, Kan., hospital on Monday, Oct. 28, weighing six pounds, 13 1/2 ounces. Mr. and Mrs. Gerald Walker, (the former Ruby Mitchell), are the proud parents.

Margie Church is anticipating the arrival of her husband Joe who has a leave coming up in the next couple of weeks. After spending his allotted time with Margie and his parents, Mr. and Mrs. Joseph Church, he, Margie and the baby will return to San Diego to make their home.

Smeloise advises

Don't burn those leaves and pine straw! Frankly we think they make a nice winter ground cover and protect baby grass roots. . . However, if you're the neat type and must rake. . . pile the pine needles around the base of all shrubs. . . protects them from cold, holds moisture and prevents weeds from growing near them. . . as for leaves, pile them up in a far corner of the yard and throw a few shovels full of earth on top. . . continue this process until you have several layers, then forget it. . . come spring you'll have the richest fertilizer for potting soil, flower beds, etc. imaginable.

Dog doings

Shotsie, Sgt. William Oakes trained cocker spaniel, put on quite a performance for an audience at Tower Lanes last Tuesday. Shotsie, who has appeared on television, has a repertoire of 25 tricks, but we were most impressed when, on command, the little canine jumps high into the air, twists quickly and with her hind feet, delivers a swift kick to anyone her owner directs her to. In reply to all asking us just what the Catahoula cur pups recently advertised in our classified section were, we're finally discovered that they a fairly large hound bred specifically to herd cattle and/or sheep. . . could come in quite handy for a farmer or rancher.

Joint birthday greetings go to Ruth and Al Landry who celebrated less than a week apart. . . we had the exact dates but just can't seem to find our notes.

Visiting Mr. and Mrs. Hugo Satterlee last weekend were Mr. and Mrs. Harold Reche of New Orleans. Joining them for Sunday dinner was the Satterlees' grandson, Michael Michele, on leave from the Navy. Michael leaves for Washington, D. C. next week where he has been assigned to special duty.

Mrs. Mimi Lux returned from Baton Rouge Sunday where she had been visiting relatives.

Sports scene

Unless the east wind abates before this appears in print, fishermen will continue to find slim pickings—dove hunters report better luck however. Brewster Mollere and Ralph Merrel bagged the limit last Wednesday and again Saturday. Shrimp are big and plentiful. . . Bernie Piazza came in with a large haul Saturday and Cliff Vogt did likewise Sunday.

Dropping in to view the latest 'L' in the Lucien Galt, Jr. family Saturday were Mrs. Vic Leveaux, Mrs. Ed. Brignac and Rita and Sonny Wolfe and the little ones. The new 'L' is Lucy—the others being Lucien, III, Leslie and Laurie. With the rapidity of the arrival of these four, the future offers all sorts of interesting possibilities. . . New Catholic young adults elect leaders

Teddy Stechmann, Jr., was elected president of the Catholic Young Adults group Sunday afternoon at an organizational meeting in Our Lady of the Gulf Parish Hall.

Other officers chosen were Jo Ann McCullough, vice president; Kay Cabell, secretary, and Ursula Favre, treasurer.

Ray Kidd, Jr., was named social chairman; J. T. Ladner, cultural, Margaret Pullizzano and Mary Alice Kingston, religion discussion; Rev. Michael Kelly, chaplain, and Inez Favre, publicity.

Next meeting was set for 2 p.m., Nov. 17 in Our Lady of the Gulf School cafeteria.

Byrd sets example

Although last week Hancock General Hospital's application for federal aid through the accelerated public works program was approved, it does not change the fact that until last week favorable action had been taken on only two such from Mississippi and both of those were from all-Negro Mound Bayou.

Whether, as the evidence indicates, the failure to approve applications from Mississippi was due to the Kennedy administration's disapproval of the attitude of Mississippians toward racial integration is incidental to the more important aspect that it could have been for that reason. Whatever the reason the circumstances point up the fact that appropriations of federal funds for whatever reason can be used by an administration to further its own beliefs, just as the threat of implementation of the Gesell report showed how the armed forces could be used for partisan politics.

We have no solution other than public opinion and administration can use our armed forces improperly. They are needed too much for national defense, for a Little Rock, an Oxford or a Gesell report to justify abolishing them.

No similar need can be found for appropriations for public works, aid to education or payments for not planting tobacco. These can all be stopped in Congress, but to be consistent a Congressman or Senator from Mississippi needs to vote against payments to cotton farmers and REA as well.

Presidential possibility Senator Barry Goldwater of Arizona, who advocates selling the Tennessee Valley Authority's vast electrical system to private industry while seeking federal money for what could be called an Arizona Valley Authority, is not the best example of one who really wants Washington not to use undue influence through federal spending. Apple orchardist Senator Harry Byrd of Virginia, who both votes against price supports for apples but when it is passed refuses to take his share, is a better one. For the timids' information Sen. Byrd has been continuously elected since November 1933.

By Roger Babson's staff How's business?

Business activity moved ahead in more positive fashion during the month of October. Although this pickup has come a little later than expected, it was a welcome change from the showing of the previous month, which barely exceeded normal seasonal rates.

Speakeading the advance were the auto makers. Car manufacturers stepped up output rates in a feverish effort to meet peak demand for 1964 models. Demand is exceptionally strong for this time of year, even well ahead of the flying start the industry enjoyed a year ago. Hence the rush to fill pipelines to dealers.

This rapid acceleration of automobile production is giving a lift to the auto parts producers. Moreover, it means that a good deal has been made in steel inventories, the redundancy of

which had been a prime cause of the sticky and sub-par level of steel output and metal fabrication in September. With steel inventories being worked off rapidly by the automobile industry's needs, steel should be in better shape to move ahead at a more impressive pace.

In other industrial lines - textiles, furniture and appliances, industrial and transportation equipment, chemicals, and building and construction materials, all continued to trend upward. Retail trade showed an encouraging rebound from September's decline. Employment and personal incomes, particularly earnings of workers in manufacturing lines, recorded favorable gains.

This achievement of renewed vitality leaves little doubt that the economy can run out the balance of 1963 on a strong note. Hence, odds have improved that added momentum can be generated to sustain over-all activity into at least the early months of 1964. Business and investment sentiment should benefit from the optimistic economic climate, and a higher level of consumer confidence should bolster retail trade.

Supervisors...

(Cont. from Page 1)

Deliberate by the county school system on a \$16,000 transportation case which records showed were due in installments last October, March and June was discussed with County Superintendent K. G. McCarty and the other school's representative, M. Z. Carter, who is now checking the county books.

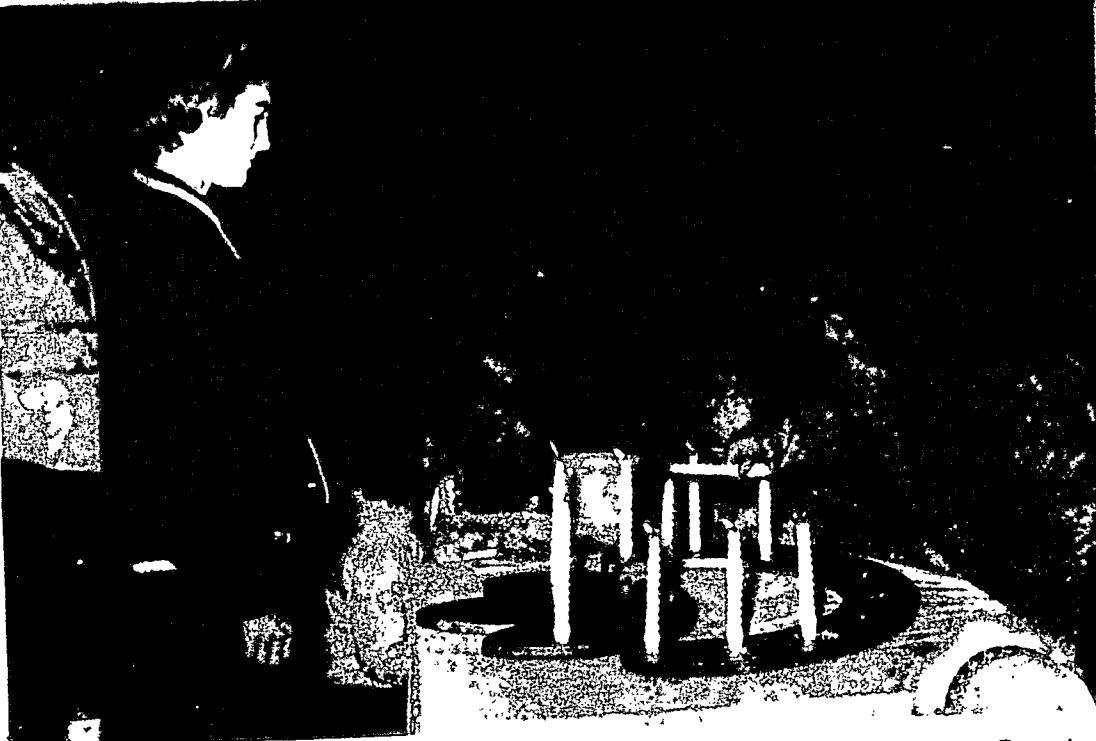

McCarty told the board the schools will have enough money in the current fiscal year to meet the obligation "if it's spent right" and suggested the matter be taken up with his successor, Robert F. Lohmer, after Jan. 1.

Supervisors and their attorney next questioned Carter as to how the money could be gotten. He advised waiting until he was to that section of the audit. He should be repaid, he agreed, but cautioned about jeopardizing the school bonds by tapping the bond fund for the amount.

City Council...

(Cont. from Page 1)

Glover said he didn't have any more money to allocate from the second appropriation of \$450 million authorized by Congress last May. In his letter he wrote "The application will remain open for consideration should the necessary funds become available but, as I indicated, this is not likely in the immediate future." Application was for \$200,000.

A BROWNIE FLIES UP - June Porter, right, lights candle at investiture service for Brownies becoming Girl Scouts in Bay St. Louis neighborhood during camporee Saturday at Stechmann farm. Conducting rites at left are Mrs. C. C. McDonald, Jr., and Mrs. William Whitfield, troop leaders. Twelve troops attending also took part in Juliette Lowe birthday celebration and enjoyed cook-out supper.

REAL LIVE GOBBLINS - Costume prize winners pose at Gulfview School's annual Halloween party sponsored by Co-op Club last Thursday night.

Pearlington site...

(Cont. from Page 1)
ferred not to sell for a school; 20 acres one quarter mile north of 90 on White's Bayou Road; International Paper owned tract on U. S. 90 originally planned for its tower, and 32 acres for \$17,000 from Angelina Favre with 500 feet on the north side of 90.

Ortiz remarked that 16th Section would be the cheaper site but expressed concern over the location in view of sub-division developments whereas Egan said the NASA-proposed four-lane road changed the complexion of that property. Beat 1 Supervisor H. G. Dean noted that unless the federal government grants an extension in use of the Loggova School, the system will be in a bad fix come next fall and Egan pressed for action, emphasizing how long it would take a contractor to build a school.

The board also will inspect on Saturday the new four-classroom addition to Hancock North Central School, Bldg. of Martin School Equipment Co. for furnishings for the addition also was accepted as low among three. Its price was \$12,200 per chair-desk, \$14,400 per teacher chair and \$89 per teacher desk.

Trustee Lucio Nacario cautioned his colleagues about reports of a leak in the roof of the addition and said he wanted to make sure it is fixed before the board accepts the building. The school board has had roof problems in 1959.

General fund...

(Cont. from Page 1)
fused all such supplies unless the board gets satisfactory explanation of need. He further called for a motion designed to implement the October prohibition by requiring a requisition through the county auditor for any more purchases under the county general fund. Both were seconded by Lavinhouse and adopted.

The general fund docket was not called at the meeting but Marie Quintini, deputy clerk, was authorized to pay salaries, rent, convictions, utility bills and normally recurring items but not any supplies. The matter of prisoner food was also mentioned.

Concern also was expressed over the docket for operation of the county patrol at Mississippi bluffs at HNC ever since it opened in 1959.

The board talked with Wilton Hoda, bus mechanic, about buying of parts for repairs, cautioning to do business with firms which bid and got contracts to supply the system.

Later they conferred with J. D. Penton, principal at North Central, about various aspects of the educational system there and urged that his teachers seek higher performance from the students. At the request of Trustee S. P. Powell who presided in the absence of Charles B. Murphy, president, the board went into executive session about 5 p.m. to discuss a personnel matter. Penton remained with them.

Test operations for which the board contracted with NASA last spring. That had a balance of \$1,742.80 on Oct. 31 and claims totaling \$2,466, however another check from the government is due shortly.

Hubbard said he was convinced the county would lose money on the deal even though it provides jobs for six men. Dean declared he had reason to believe the government would not let the county go in the hole on it, but he complained the patrolmen were relegated to "flunkies" on the job and not permitted to do much of anything.

The supervisors got a \$25 raise in their October pay checks since the county's total assessment now exceeds \$15 million. Miss Quintini said she had charged the increase to the individual beat funds because other funds were budgeted on the close side.

In other action a \$120 advertisement plus 15 per cent agency commission was approved in the Mississippi Jaycee publication's November issue which will feature the state outstanding young farmer contest in Bay St. Louis, and a \$327 emergency purchase of materials from J. M. Hayward was authorized for repairs to the leaking Courthouse roof with prisoners to install the goods.

near the proposed location of the Saturn V test stand.

Meanwhile opening of bids on two projects was postponed with no new date set. Affected were bids on the data handling and central control building earlier set for last Tuesday and on the data acquisition building scheduled to be opened Friday.

Layne Central, successful bidder on the industrial water wall, has now been notified to proceed with the work. It is expected that drilling on this project will commence sometime next week.

schools must present a budget to the supervisors and were upheld in this view by the school board attorney, W. J. Phillips. The mothers, who missed no words, then wanted to know why the supervisors added half a mill this year for the mosquito control program ("we've still got the mosquitoes"); the one mill for the new ports and harbors commission ("that won't do us any good"); and the half mill for the advertising fund ("just to pay one of your women voters \$200 a month"). Hubbard replied that was critical comment and not constructive.

Phillips, who was elected to the state legislature this year, pledged his efforts as soon as the new session convenes toward seeking special legislation for Hancock County to cope with the school population growth resulting from the federal space program.

He traced the efforts of the board dating back four years ago toward adding classrooms at Gulfview which was crippled by the fact at that time it had only an enrollment of 125 against the 240 required by the state for expenditure of building funds from all but local monies. The county system must, under present state law, bear the expense of additional teachers since allocations are based on average daily attendance of the preceding year.

"You'd better get busy, young man, when you get up to Jackson," declared Mrs. Malcolm Green.

On the matter of additional classrooms, Dean suggested the school board go to a bond issue to finance construction since local funds are so limited and declared he would muster all support he could in favor of it. "I expect in the very near future you people will be in my district and I want to help you," he said, referring to the supervisors' discussion of possible redistricting lines. Gulfview School is now in Beat 5.

"Your cooperation in the past hasn't been very much; I don't see why we should expect any more," retorted E. P. Ortiz, Beat 5 trustee.

"Your transportation bill is higher than any county in Mississippi," declared Dean. "If we'd put more mileage on how could we know how it would be spent... not a school board member asked me for any assistance... no one told me you needed any more teachers..."

No budget was presented a year ago when the school board asked for and got a one mill tax increase, McCarty told him. Dean conceded that might have been the case but that L. M. Prierson, Beat 2 supervisor, had been approached by school officials and "arranged" it.

Hubbard noted that the state auditor's office had sent information to each supervisor on the cost of school transportation which showed it cost Hancock County as much to operate 27 buses as it did Harrison to operate 57. That's because of population density, McCarty replied.

Mrs. Garcia interjected another complaint at that stage, noting that food delivered to Gulfview for the lunchroom program is only on the basis of 121 pupils and wanted to know why this situation existed. McCarty directed Gulfview Principal Oren Seal to check into that aspect.

As the meeting drew to a close Seal finally got authorization to secure additional desks from Loggova School which has a decreasing enrollment or the old Sallern School. Pushing for action, he told trustees he only had two desks left and they very well might not last out the week at the rate new pupils were coming in.

Seal was to be opened Friday.

Layne Central, successful bidder on the industrial water wall, has now been notified to proceed with the work. It is expected that drilling on this project will commence sometime next week.

PROCLAMATION Veterans Day

WHEREAS, November 11th has been set aside as a day on which the Nation pays tribute and honor to those who have served in the Armed Forces of our great Nation, and

WHEREAS, it is only fitting and proper that we join in this nation-wide observance of a day which will be dedicated to expressing to the entire world our undying gratitude to both living and dead who have served our great country,

NOW, THEREFORE, I John A. Scafile, by the virtue of the authority vested in me as Mayor of the City of Bay St. Louis, Mississippi, do hereby proclaim Monday, the 11th day of November, 1963, as "VETERANS DAY" and urge that all our residents make every effort to participate in the services honoring our veterans.

JOHN A. SCAFILE, MAYOR
CITY OF BAY ST. LOUIS, MISS.

offers the home flag kit
at cost as a public service

\$2.50 complete

America will never lose the Spirit of Freedom. Our people will grow soft and complacent. The Spirit of '76 still lives in our hearts today as fresh as it was 186 years ago. This paper believes that today the flags on homes on national holidays is due more to loyalty and unity than to lack of patriotism. That's why we make these fine flag kits available to our readers at cost as a public service.

Remember, there are more than 20 national holidays on which our flag should be flown. Among the most important are Armed Forces Day, Memorial Day, Flag Day and Independence Day, all of which are included in our kits.

Want you show the colors...every American's way of telling the world that the land of the free stands united 50-Stars strong? Join our flag kit to Hawaii? Join our flag for freedom crusade now. Come to our office for your flag kit and the bonus offered exclusively to our readers.

TOP RECRUITER - Wilton Hoda, left, is congratulated by Don Echols, Jackson, representing the Mississippi Farm Bureau, for enrolling the most members in the Hancock County Farm Bureau's recent membership drive. Report was made at annual meeting last week at Hancock North Central School.

Hoda leads Farm Bureau member drive

Wilton Hoda of Rocky Hill paced the Hancock County Farm Bureau's annual membership drive, signing 25, as the organization topped its quota for the first time, Louis J. Breaux, president, announced at the annual membership meeting Oct. 29 at Hancock North Central School. Enrollment now totals 154 against a quota set by the state organization of 150. Breaux announced plans for a final mop-up to solicit memberships from those not reached during the formal campaign which ended in September and continued at the dinner meeting. Breaux was re-elected president with John Shaw chosen vice president, Mrs. A. G. Harris, secretary-treasurer; Mrs. Karl Goss, chairman of the women's committee, and Jerry Shaw, youth chairman. Directors chosen were Wilton Hoda, Paul Harriel, Paul Bounds, Karl Goss, James Rester, Billy Breland, Joseph Cuevas, W. J. Pippin, Larry Koenen, W. R. Stewart and James Cuevas. In addition Breaux was elected delegate to the state convention with Joseph Cuevas as alternate. Don Echols, assistant to the president of the state bureau, was guest speaker.

Junior Hawks send winning season

North Central's Junior Hawks closed their season Tuesday night on a sloppy field with a 12-6 win over Stanislaus Juniors in Hawk Stadium. It was their fifth straight for the year. The teams were well matched with the Hawks getting 220 yards to the Rockchaws 208 and four first downs to the Rocks five. Each team drew 15 yards in penalties. Hawk Glen Davis drew first blood scoring from the three in the second quarter followed by Rock R. Rhode who evened the score tacking the kickoff and dashing 75 yards to paydirt. Mike Osteen made the winning score in the third period when he bucked over from the four. All conversions failed.

John A. Weathers

Final rites were Monday for John Adams Weathers, 49, who died Saturday night in the Veterans Administration Hospital in New Orleans after an extended illness. Born Oct. 2, 1914, in New Orleans, he was the son of Mrs. Olga Theobald Weathers of Mobile and the late Paul C. Weathers of New Orleans. Besides his mother he is survived by his widow, the former Dorothy Duthu, and a brother, Edward Weathers of New Orleans. Mr. Weathers was a retired employee of Foltz Tea and Coffee Co., and resided in Waveland for the last 18 years. He was a veteran of World War II and a member of the American Legion Post 139, Veterans of Foreign Wars, Knights of Columbus Pere le Duc Council and Holy Name Society of St. Clare's Catholic Church. Services were at St. Clare's Church with burial in Garden of Memories. Riemann's Fahey-Whitfield Funeral Home was in charge. Pallbearers were Donald Duthu, Albert Shields, Albert Shields, Jr., Francis Duthu, Frank Rapier and Warren Duthu.

C.C. Moran

Clodomire C. Moran, 68, brother of Mrs. Dailie Cuevas of Bay St. Louis, died Monday at 6:30 p.m. at his home in Pass Christian where he had resided for 11 years. He was born in Des Moines Oct. 16, 1895. The funeral was Wednesday at St. Paul's Catholic Church in Pass Christian with interment in Rotten Bayou Cemetery.

CALLING WWI VETS

Members of Hancock County Barracks 2537 World War I who have caps are asked by Commander Fred Bankston to be at Bay High School at 9:30 a.m. Nov. 11 for the Veteran's Day parade. The fourth was strictly defense, both teams engaging in a punting duel. In an earlier game this season North Central beat the young Rocks 26-0. Outstanding players named by coach Ezell Lee are Davis, q.b.; Osteen, r.h.; Lloyd Anderson, l.h.; Larry Smith, r.t. and Marvin Lee, f.b. Publicity men and scorekeepers were James Lachner and Don Cuevas.

Teen Times

Halloween came and went leaving only strands of long white streamers in its wake. The rollers had a busy night, otherwise things were relatively quiet. Protestant Youth League members met at Main Street Methodist Church to begin their annual collection for UNICEF. A large number of the younger set watched the Bay High Tigers defeat Slidell 6-0 in a close game.

A hot time was had by all attending Stanislaus' homecoming. Bonfire recently but in even hotter water were those who picked up the lumber for the fire. According to our spies, an empty building had been donated for this purpose, but we understand there was some confusion as to the location. Anyway someone ended up with a red face.

Bay High graduate, Will Price, is now undergoing basic training with the Navy at San Diego, Calif.

Stanislaus and Buras highlighted 7-7 in their match Friday night. Hancock North Central's rapidly improving team rested on a well deserved off date.

A large crowd turned out for the membership dance sponsored by the CYC at the KC Hall Saturday night.

Christy Torgersen's pretty face graced the U.S.M. Student Printz cover as princess of the week.

Ripley Kausch journeyed to Southern to spend the weekend with Nita Kay Erwin.

Jan Braymeyer, looking very much a U.S. Marine, is spending a leave with his parents.

Cupid is apparently quite busy around Poplarville way. Some of the warmer romances around Pearl River Junior College are Cassie Rhodes and former Bay High football star, Bobby Van Calsem; Beth Murtagh and Joe Gellner; Ann Calhoun and David Jackson; Irene Thomas and Sammy Cuevas; and Judy Pennington and Waldo Caceres, one of Stanislaus' former gridiron greats.

Lots of birthdays celebrated around this time of year—Cathy Miller was 14 Saturday, Martha Lynch, the same age on Nov. 9; Karen Williams celebrates her 19th on the 2nd also; and Sue Porter, who flew home from Natchez Thursday for the weekend, was sweet 16, on Wednesday, Oct. 23.

Two college students who never miss spending a weekend at home, Mary Lou Herlihy and Ray Kidd have pretty good reasons for their regular returning—Mary Lou dates steady, Gene Ferry and Dot Woods is Ray's best girl.

Get well wishes to Bay High star Johnny Penton, forced to miss the Poplarville game due to a leg injury.

Glad to hear that former Bay High great, Teddo Thomas, Jr., is doing well in Freshman competition at LSU. Teddo welcomed best girl, Sandra Williams, last weekend when she visited a girl friend at the University.

Sorry to hear that Claire McArthur was hospitalized recently—she's now recuperating at home minus her appendix.

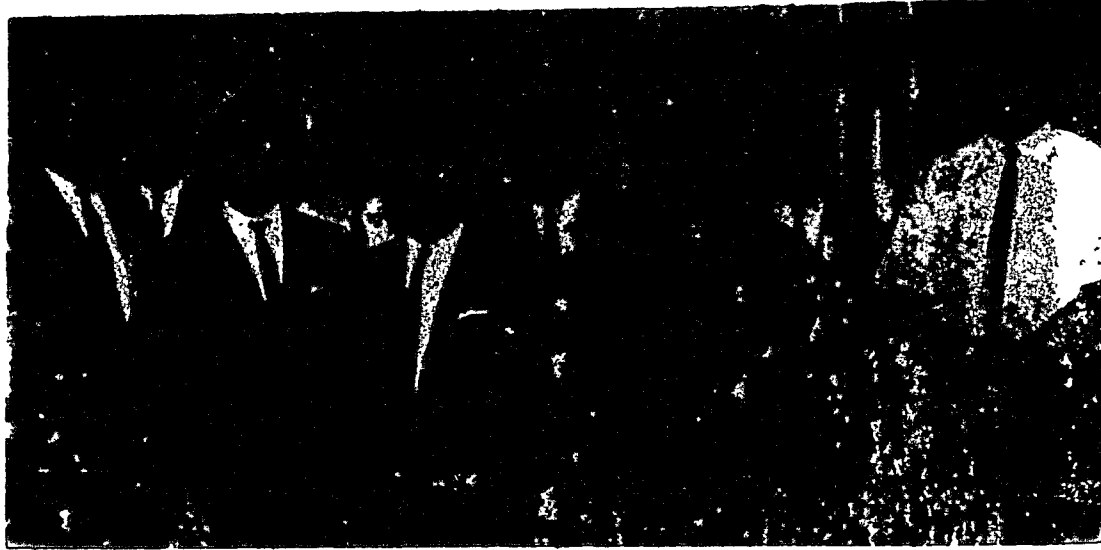

Happy birthday J. D. Rutherford, Jr., D. 19 on Oct. 27, is a sophomore pre-med student at U.S.M.

Farewell to Annette Vaughn who left the Bay to make her home in Arizona.

Late bulletin on the affairs of Ray Kidd—one informer reports that he and Jackie Kingston are off to another good start on their usually rocky road to romance.

Members of the CYO enjoyed a breakfast after 8:30 Mass last Sunday.

Back to Cupid's activities once again—currently going steady at Bay High are Charlene Loder and Jakey Morreale, Terry Gaudes and Johnny Penton, Judy Compton and Stanley Burch, Kay Monasco and Leanne Schultz, Margie Lenzant and Gary Fricke, Georgia Neccise and Jay Lenzant, Connie Neccise and Ed Blaise and Martha Rutherford, who incidentally is sporting one of the fanciest, fuzziest hats

ROCK ALUMNI OFFICERS—Members of St. Stanislaus Alumni Assn. recently elected to lead the association for 1963-64 are, from left, Earle J. Christenberry, Jr., William Foster, A. J. Brant, Nelius Favre, Lawrence Vallon, president; George H. Sullivan, Jr., Brother Athanasius, S. C., secretary-treasurer; Ernest Damsis and James Riordan, absent are Warren Carver, first vice president; Berchmans Wilbert, Jr., second vice president; Joseph H. Plurkett, John A. Scafide and Stephen Stant.

KA ROSE - Nita Kay Erwin, daughter of Mr. and Mrs. J. E. Erwin and a sophomore at the University of Southern Mississippi, has been chosen Kappa Alpha Rose for 1963 at Southern. The current Miss Bay St. Louis, she is a former Dixie Darling, is enrolled in pre-nursing and hopes to enter nursing school next fall.

City of Bay St. Louis and filed on the 26th day of October, 1963, requesting the Commission Council of the City of Bay St. Louis to borrow the sum and amount of \$35,000.00 to be used for the purpose of purchasing land on which to construct a new school building or buildings, and to issue notes or certificates of indebtedness bearing interest not exceeding four per cent per annum, to be paid annually or semi-annually and to be paid from certain funds provided by the City Commission of the City of Bay St. Louis as provided by House Bill No. 21, Extraordinary Legislative Session of 1953, and all amendments thereto, including Chapter 275 of 1956 Regular Session of the Legislature, said indebtedness to be evidenced by short-term notes or certificates of indebtedness to mature in a period not to exceed five years from the date of issuance.

A copy of the resolution and petition of the Board of Trustees of the Bay St. Louis Municipal Separate School District is at BE IT REMEMBERED, that on the 22nd day of October, 1963, there was a regular recessed meeting of the Mississippi School Board of the City of Bay St. Louis, Hancock County, Mississippi, which recessed meeting was held pursuant to an order on said Board minutes at its regular meeting held on Monday, October 14, 1963. Said meeting was held in the office of the City Superintendent of Schools, in the said City of Bay St. Louis, Present at said meeting were Robert L. Hamilton, J. W. Watts, Jr., Sam Whitfield, Theodore Thomas and Charles Thomas.

There came on for consideration of the matter of borrowing the sum of \$35,000.00 for the purpose of buying land on which to build a new school building or buildings; and the Board having duly considered the matter finds that it is necessary to make a loan in said amount; whereupon Trustee Theodore Thomas moved the adoption of the following resolution, to-wit:

RESOLUTION OF THE MUNICIPAL SEPARATE SCHOOL DISTRICT BOARD OF TRUSTEES REQUESTING THE MAYOR AND COMMISSIONERS TO BORROW MONEY ON SHORT TERM NOTES OR CERTIFICATES OF INDEBTEDNESS TO BE USED FOR THE PURPOSE OF PURCHASING LAND FOR SCHOOL PURPOSES, SAID LOAN TO BE MADE UNDER AUTHORIZATION OF HOUSE BILL NO. 21, EXTRAORDINARY LEGISLATIVE SESSION, 1953, AND ALL AMENDMENTS THERETO, INCLUDING CHAPTER 275 OF THE 1956 REGULAR SESSION OF THE LEGISLATURE.

WHEREAS, the Municipal Separate School District Board of Trustees, Bay St. Louis, Mississippi, is of the opinion and so finds and adjudges that in order to provide necessary school

COMING ROCKS - This is the Stanislaus junior varsity

squad coached by Brother Edward and Clarke Lewis. They tied up their season Sunday against McGill in Mobile.

Tiger-Greyhound clash Friday to settle title

Bay High's young but determined Tigers moved a step closer to another Gulf Coast Conference championship Thursday night when end Billy Thomas snagged his 11th touchdown pass of the season to beat tough Slidell, La., 6-0 in Tiger stadium.

Tomorrow night coach Lance Lumpkin will lead the pack into a do or die battle with Ocean

Springs at 8 p.m. in the Greyhounds' stadium to decide who will be the '63 champs. It should be a wing-dinger and although the more experienced and bigger Greyhounds are slight favorites, Lumpkin is counting on the courage and team spirit of his younger squad to make the difference.

This season the Tigers have won eight and tied one while the

Greyhounds are undefeated and untied in nine starts. Last week Ocean Springs plastered Pass Christian 33-0 in the Greyhound Stadium and coach Hugh Larrin Pepper said his lads are just as determined as the Tigers to take home the championship trophy.

But Lumpkin said his record stands for itself, four wins and one second in five years of Gulf Coast Conference play. Both squads are in fine shape for the fray, neither suffering any injuries in last week's games.

Although the Tigers won by only one TD Thursday, they lead all the way, earning 13 first downs against seven and driving 140 yards rushing against 57 for Slidell.

It was a 0-0 game for three quarters, both teams showing a strong defense but on the first play of the final period Mike Strong intercepted a Slidell pass on Slidell's 45-yard line and the Tigers began marching. They got to the 14 on a series of line backs, and runs and shortpasses when quarterback Johnny Penton flipped to Thomas for the game-winning tally.

Tigers Leroy Luke and Dick Watts were responsible for saving the game on three occasions when Slidell worked their way deep in Bay High territory. Luke was credited with two pass interceptions and Watts one and in each instance the Louisiana lads seemed headed for pay dirt.

PARTY FOR THE CHIEF - Miss Louise Armstrong, veteran City Hall employee, and Latham Garriga, new Bay St. Louis police chief, enjoy "farewell" cake with retiring chief, Alcine Saucier, right, at party City Hall force gave for Saucier at conclusion of his last day of work Thursday. It was planned as a surprise but long-time chief picked up enough clues to figure something was going on.

Rocks to play in bowl

St. Stanislaus will play in a bowl game this year. The Rocks were invited to play at 8 p.m. Nov. 22 in the second annual Aluminum Bowl in Chalmette Stadium, Chalmette, La., in a game sponsored by the St. Bernard Junior Chamber of Commerce.

They will face a tough St. Bernard High team that boasts one of the best passers in high school football in this area, Rockachow coach Billy Murphy said. He and other school officials will travel to Chalmette Monday for a press interview and signing of papers.

Although losing to Golden Meadow 26-12 last week, the St. Bernard Eagles of New Orleans hold a 6-0 win over Buras, La., the team Stanislaus tied 7-7 last Friday.

Winner of the bowl game will receive a huge aluminum trophy. Outstanding back and lineman will receive individual aluminum trophies and each player participating in the game will receive a miniature engraved aluminum

Tie Buras O'Neal scores for SSC

James O'Neal, speedy 145-pound Stanislaus halfback, continued his scoring spree, tallying the Rocks' lone touchdown Friday night to give his team a 7-7 tie against Buras, La., in Stanislaus Stadium.

The Rocks have been gaining momentum as the season progressed and will be in good shape for their final home game Friday night against a good Moss Point squad with the exception of end Pete Beasley who was lost for the season when he suffered a back injury two weeks ago. Final game is Nov. 16 against Notre Dame of Biloxi there.

The Buras Wildcats, paced by an amazing 220-pound fullback, James Waddell, took an early lead receiving the kickoff and marching 70 yards to the Rock goal. It looked like a free scoring game when Stanislaus took the ensuing kickoff and proceeded down field driving 65 yards to paydirt with O'Neal bucking over from the six, shaking off three would-be tacklers. Center Paul Weaver kicked for the conversion but both squads' defensive teams tightened up and neither was able to score although the Wildcats got within scoring distance three times, twice losing the ball on pass interceptions and once on a fumble. Arnie Blanchard bucked over from the one and Waddell ran the extra point for Buras' only score.

football. The game was named for Kaiser Aluminum and Chemical Corp., which operates an aluminum plant in Chalmette, said to be the largest plant of its kind in the country. Proceeds will be used for Jaycee programs in St. Bernard, La., Parish.

Beat Lucedale 67-6

V. C. Jones mops up at homecoming

Valena C. Jones' Tigers broke their losing streak with a bang Saturday afternoon in Tiger Stadium treating a capacity homecoming crowd to a whopping 67-6 win over the Lucedale Barons for their first victory of the season.

A spectacular halftime show, including music by bands from both schools, majorettes and cheerleaders, was highlighted by presentation of a bouquet by principal J. S. Price to Miss Valena C. Jones of 1964, homecoming queen Jamie Christmas.

The Tigers uncorked a tricky and diversified land and air attack

and it was a double reverse that set up many of the touchdowns to give the local lads a 40-0 lead at halftime.

End Robert Whavers drew first blood early in the game when quarterback Sullivan Bell hit him with a 40-yard touchdown pass. Whavers also ran the extra point and scored again on a 2-yard buck.

Also scoring were halfback Martin Collins who scored twice on runs of 41 and 37 yards and racked up a total of 130 yards in

three carries; halfback Robert Mullins from the five; freshman linebacker James Peters from the 31, plus two extra points running; sophomore halfback Ulysses Sheppard, his seventh TD of the season from the five, and three extra points running; halfback Russell Nicholas from the five and halfback Clevon Williams who ran two extra points.

Sheppard is the Tigers' leading scorer with a total of 47 points for the season.

The Tigers last game this season is scheduled for Friday night against Randolph High there.

VALENA C. JONES ROYALTY - Principal J. S. Price of Valena C. Jones High School pays the homecoming queen Jamie Christmas at half time Saturday afternoon in Tiger Stadium. Sandra Oliver, Ethel Parker, Carolyn Ray, Anna May Haynes and Andrella Acker.

HNC, St. Martin clash on Friday

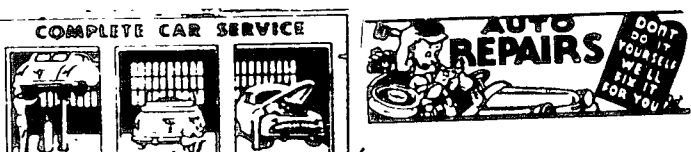

Two more games and North Central's rejuvenated Hawks wind up the best football season of their career. Friday they entertain St. Martin and Nov. 15 Pearl River Central, two good squads.

Climaxing three years of losing football with two straight wins by lopsided scores, the Hawks enjoyed a well-deserved rest last week, no game being scheduled. Nov. 18 they will put away their helmets and pads and don their beloved basketball shorts.

NEW CHEVELLE!

BY CHEVROLET

The kind of handling ease you'd expect in a smaller car. Come on down and drive it.

The kind of comfort you'd expect in a large interior. Come on down and sit in it.

Only a car that looks as good as this could come between Chevrolet and Chevy II. Come on down and stare at it.

New Chevelle Malibu Sport Coupe

Now - Chevy spirit in a new kind of car!

We built this one to do more than just stand around looking beautiful. Held its weight down in the 3,000-pound range. Then built four lusty engines—two sixes and two V8's—with output all the way up to 220 horses!

And if that makes you think this is one frisky car, you've got the right idea.

You've also got a roomy car here. Yet its 115-inch wheelbase keeps it highly maneuverable in traffic and very easy to park.

With its Full Coil suspension, it's got a ride that reminds you of the Jet-smooth kind the

way it muffles noise and cushions bumps. And the fine hand of Body by Fisher craftsmen shows up beneath this one's suave good looks, too.

Sound good? There's more. Like the fact that Chevelle comes in three series with eleven models—convertibles, sport coupes, sedans, wagons, even Super Sport models with front bucket seats. Like the fact that (and see if this isn't one of the nicest surprises of all) the new Chevelle comes at an easy-to-take price!

Like to hear more? The listening's wonderful at your Chevrolet dealer's—and so's the driving.

Winners at the recent shooting match at Chink and Ruth La Fontaine's place included R. C. Lucich of New Orleans and Lakeshore, Norman Tartavolles, A. D. Necaise of Bay St. Louis and Jimmie Ladner of Bayou La Croix. The lovely religious picture was won by Mrs. Curtis Ladner of Bay St. Louis.

Thanks are extended to all who attended or helped, especially Chink and Ruth and Curtis Ladner from our Sandy.

Get well wishes to Mrs. Emmett (Hazel) Demoran who is recovering from surgery; also to Mrs. Ray Hanche, formerly Sylvia Tamplin, who was also in Hancock General for surgery.

Gulfview School is once again bulging at the seams. A class is being held in the hall now as all available space has been filled.

The Halloween party was well attended. Marcella Schwartz, former Gulfview student, won the entrance prize, a beautiful toaster and broiler combination.

Sandy and I were in Ochsner's Foundation Hospital bright and early Thursday. Her cast was removed, and after much thought, the orthopedic surgeon, Dr. Harris Morris, decided to wait until December to remove the bone cyst, to give her lower right arm a chance to straighten out. In the lobby we ran into Mr. and Mrs. Odie Bounds and his mother, and Mrs. Henry Carver. They

Legion women seek gifts for Christmas shop

American Legion auxiliary members are asked to bring gifts for the Veterans Christmas Gift Shop to the meeting at 8 p.m. Monday in the Legion Home, or to the home of Mrs. Leroy Luke, chairman of the gift committee. Gifts must be mailed by Nov. 15, she said. A birthday cake will be served after the meeting in honor of the auxiliary's anniversary.

Mrs. Chester Favre, membership chairman, announced that dues are payable now. Veterans' Day marchers will meet at 9:45 a.m. Monday at Bay High School.

SJA parents hear of teen-age values

Rev. Duval Hilbert, S. J. of Xavier Hall in Pass Christian was guest speaker at the November meeting of the St. Joseph Academy Parents Club Tuesday. Father Hilbert talked on the proper values teen-agers should be taught today.

Plans were made for a luncheon to be given on Nov. 13 at the Knights of Columbus Hall. Tickets may be bought from Mrs. Elaine Davis in Waveland and Mrs. Andy Becker at the Toys and Teen Shop in Bay St. Louis.

Entrance prize was won by Mrs. Lucy Green and the seniors won the room count. Hostesses were Mesdames John Benigno, Latham Garriga, Harry Hinkkanen and Curtis Mathern.

Saucier, Anderson Halloween royalty at North Central

Gloria Jean Saucier reigned as queen and Lloyd Anderson as king at the annual Halloween Carnival at Hancock North Central school last Thursday night.

Others in the court were Pam Fletcher, duchess; Danny Peterson, duke; Nadine Malley, princess, and Leroy Ferguson, prince.
